Things have been slow during the past couple of months, and fishing has taken up most of the time I usually spend hunting for tokens, so this will probably be my only list until fall. For those of you who haven't ordered from me before, your complete satisfaction is guaranteed on all items. Postage & insurance is extra on small orders. I do not charge for these lists, but only send them to collectors who express interest in receiving them. If you wish to receive future lists, let me know. Those ordering from this list will automatically receive my next list. Most items on this list are one of a kind, so please order early. Second choices are appreciated. (Phone # 617 - 588 9076, after 6 P.M.)

 RARE EMBOSSED (SHELL) STORE CARD TOKEN: with mirror reverse. Issued by the
 Continental Hotel, New York, N.Y. In the listing of embossed cards by Mitchell
 and Rulau, published in the TAMS Journal, this is listed as # AA83 (Vol. IV,
 # 4, page 160). At the time of this listing, there were no known specimens of
 this token. It's existence was known only because of a listing of it in an 1878
 auction sale of the Chadbourne Collection. This specimen is in excellent condi-
 tion, and would make a nice addition to any collection. Well worth \$35.00
